If you know what you want but don't know where to start or if you have no idea and are open to suggestions, I love the challenge! I believe in creating your own utopia, your specialized perfect atmosphere, your sanctuary, your retreat, your peaceful, comforting calm.

Live your Dream, Not someone else's!

A one-time \$150 consult to assess and point you in the right direction... If you need me after that I'll be happy to research, shop, and/or choose fabrics, rugs, fabulous art and accessories to pull you dream together.

Instead of a job estimate, a 50% retainer fee and a big-time expensive commitment to live up to, we can work together at your choice of speed and time for an hourly, as you go fee.
